The other option is this Add-On STEM option which is Mondays. This class is for any child registered for the 3 day four year old program in the AM (Monday, Wednesday, Friday), but would like to add the STEM portion without adding an additional day per week. Their schedule would be Monday 9:00am-1:15pm, Wednesday 9:00am-11:30am and Friday 9:00am-11:30am. Mondays they would pack a lunch for their STEM day!

Each child must be 2, 3, 4 or 5 years of age by **September 1, 2020** to be enrolled in the corresponding class. All children in the 3, 4 and 5 year old classes must be potty-trained.
