

March 13, 2020

Dear Parents,

We have received notification that Pine Richland as well as many other local school districts will be closed for at least the next two weeks. For the safety and well-being of all, we will also be closing the school effective Monday, March 16 through Friday, March 27.

Our staff will still be working and will be reporting to the school on Monday, March 16 to prepare for the closure and will also be preparing materials that will be available for pick up if you would like! Teachers will send out an email or text to you when the packets are ready for pick up!

We will be sure to update you as we receive information and if there are any changes to our return date.

Please don't hesitate to reach out with any questions or concerns! We will be checking voicemails and emails on a regular basis and will be sure to return your messages.

Also, if you have a Sarris Candy order being delivered, it is scheduled for delivery on Monday, March 30. If anything changes and we are not back in session, delivery will still be that day and we will contact you to arrange pick up that day!

Also be sure to check our Facebook page as we will be posting there as well!

Once again, we understand the impact that this has on your family and want to ask everyone to be praying for this situation to resolve quickly. Please keep those infected by the virus in your prayers as well as those who may suffer financial hardship because of this outbreak. Our staff will be praying for all of you as well as all those around the world who are affected by this situation.

Blessings,

Wendy Sondej
BPCC Director
